

The Tower Lighting Program

Thank you for your interest in becoming a Tower Lighting Partner.

Effective December 1, 2017 all lighting requests must be made via this application.

No other method of request will be considered.

Terms of Application:

- The Tower has developed review procedures and policies. The Tower has sole discretion over what lightings are and are not approved. These polices are subject to change at any time without notice.
- The organization sponsoring the lighting request must demonstrate that it has a viable marketing plan to promote the cause or organization and to raise public awareness of the meaning of the requested display. The marketing plan should include steps to recognize the Tower for participation.
- The Tower will be the sole determinant of the length of all the displays.
- The Tower will make every effort to accurately create the requested color but due to the nature of the lighting system and natural causes it cannot guarantee an exact match to the requested color.
- The Tower does not display specific lighting programs for any religious figures or religious organizations. Only health related causes will be considered.
- There is no automatic renewal agreement. All previous Tower Lighting Partners must reapply each year to be considered.
- The applicant/contact will receive written notification stating whether the application has been approved or denied via email.
- The Tower is under no obligation to provide specific feedback to any individual or organization regarding the status, merit, and/or denial of its application.
- Requests for lighting that strictly promotes for profit enterprises are never recognized.

Building Lighting Partner Program Application
